BMG Ltd make the world's most comprehensive range of handmade body jewellery with precious metals, diamond and gemstones. There is no comparison to a genuine BMG jewellery piece. Each piece comes in its own gift box, with a certificate of authenticity and a **3 year guarantee**. The jewellery comes in a clear tamper-proof viewing bag - enabling you to view the jewellery before you break the seal to open it. Once this seal is opened the jewellery is non-refundable. Jewellery can be returned for alteration, please contact us before sending it back. In the rare event that it is faulty you can return it under the conditions of your 3 year guarantee. If you have the jewellery altered elsewhere this will void your guarantee. Our jewellery is made in-house in our UK workshop by skilled professionals.

To use this size guide correctly - please print and check it is accurate with the black boxes below:

This black strip should measure at 150mm (15cm) in length, when printed at the correct size.

This black strip should measure at 6 inches in length, when printed at the correct size.
